

# ACKNOWLEDGEMENT

We are grateful to our institution **Vivekananda Institute of Technology** with its very ideals and inspirations for having provided us with the facilities which has made this project report a success.

We would take this opportunity to express our gratitude to principal **Dr.B.Shankarananda**, for providing us a congenial environment and surrounding to work in.

We express our profound gratitude to **Prof.Vanajakshi P**, HOD of Computer Science and Engineering for her moral and practical support.

We would like to convey our sincere thanks to our project guide **Mrs Bhavana Gowda D M**, Asst. professor, Department Of Computer Science And Engineering for her invaluable guidance, constant assistance, support and constructive suggestions for betterment of the project, without which this project would have not been possible.

We would also like to express my sincere gratitude to our project and seminar co-ordinators **Mrs Roopa T** and **Mrs Sunanda N G** for providing suggestions and feedback for the betterment for the seminar.

Last but not the least we would like to thank our teaching and non-teaching staff with whom we have interacted in connection with this project report along with our parents and friends for their moral support during critical phases of our project report.
